

Increasing Your Exposure . . . *Advertising in **The Traffic Lite***

As always, we are interested in and grateful for the generous support of our sponsors through their advertising in our newsletter's Consultant and Vendor Professional Services Directory. The VASITE newsletter, **The Traffic Lite**, is circulated to all VASITE members as well as posted on the **VASITE Online** web site, www.vasite.org for VDOT and all Virginia Cities, Towns and Counties throughout the Commonwealth to view. Circulation also includes Consultants and Vendors that serve the Transportation Industry. We would like to strongly encourage you to join us. The cost for a business card size ad is \$100.00 per year. This covers inclusion in the three (3) Newsletters that are planned each year, the Membership Roster and your Company Logo and Profile Information on the **VASITE Online** web site, www.vasite.org, including a hot link to your company's web site. See how others are benefiting from this opportunity.

Visit www.vasite.org and click on “**Sponsors**” at the top of the page. **Please complete and mail the accompanying form to place your Ad. Please send your Business Card Artwork, Company Logo and Profile Information via email to the address shown below.**

We hope that you will pledge your support at the very earliest opportunity. It is only through your support that **The Traffic Lite** and **VASITE Online** are made possible. Your participation will not only provide you with broad base circulation to potential clients, but it will also provide invaluable assistance to the Virginia Section in keeping all VASITE Members well informed. We look forward to hearing from you.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Kelli Stamm
